

OCCUPATIONAL HEALTH AND SAFETY POLICY STATEMENT

ORBIT TVET College does not compromise the health and safety of its employees, students, contractors, and visitors, and anyone else who may be affected by our business operations. We commit ourselves to a policy of continuous improvement of Occupational Health and Safety with regard to teaching and learning and the necessary supporting services.

To realise this policy, ORBIT TVET College will:

- Comply with all relevant Occupational Health and Safety Legislation, Regulations and Standards
- Communicate openly with all employees, students, elected representatives, contractors, and visitors, and anyone else who may be affected by our business operations to promote a system of enhanced health and safety
- Follow a process of hazard/risk assessment and hazard/risk management that will continuously reduce the health and safety risks associated with teaching and learning and its supporting activities
- Ensure that all employees, students, contractors, and visitors, and anyone else who may be affected by our business operations are aware of the health and safety process related to ORBIT TVET College and are knowledgeable relative to their areas of responsibility

We will implement the Occupational Health and Safety Management Systems based on internationally recognised standards.

The continual improvement of and compliance with this policy will be monitored through a process of internal and external auditing and management review.

Senior Management will ensure that this Occupational Health and Safety Policy is communicated and understood by all employees and will avail it to anyone upon request.
